- Support with your future progression through our Careers and Progression Coordinators.

MOT Tester Annual Training

Course overview

In September 2020, there were 38.8 million licensed vehicles in Great Britain. 31.9 million (82.2%) of these vehicles were cars, and motorbikes comprised 3.5% of the total vehicles, coming in at 1.35 million. All of these vehicles will require an MOT inspection once a year.

This course aims to provide the training necessary to stay up to date with the requirements of MOT testing.

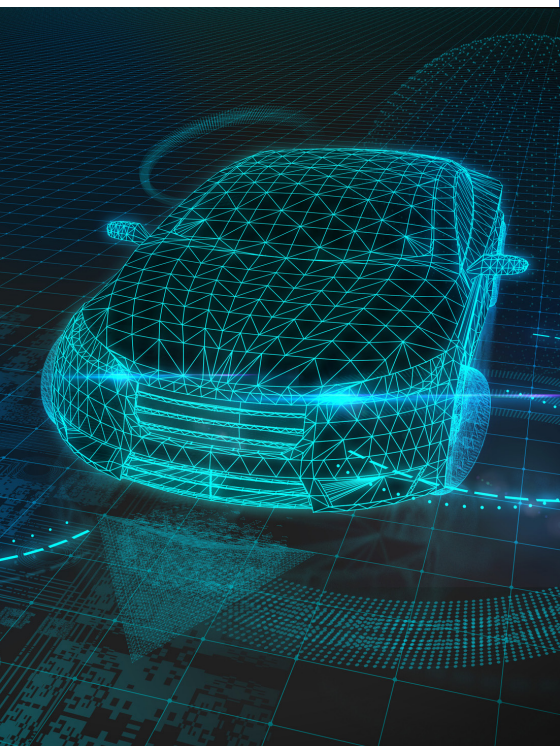

Learning method

Studying via distance learning means you can choose when and where you study.

This course is available:

 **Fully Online**

All of our award-winning learning resources are of the highest quality and are designed to be engaging and interactive to keep you focused on your learning at all times.

Who is suitable?

The qualification is aimed at anyone who needs to complete their annual training in order to test MOT vehicles. It covers MOT testing for Class 4 and 7 vehicles.
