# Level 3 Award in **Supporting Teaching and Learning in Schools**

## Course overview

**Within every educational institution, a large part of the workforce is made up of staff who support the teaching and learning of students. The presence and specific expertise of support staff is highly valued by teachers and students alike, both enhancing the learning experience for pupils and reinforcing the work of educators.**

This qualification focuses on providing learners with the key information needed to effectively support teaching staff throughout an educational institution, including understanding the development of children and young people, how to promote positive behaviour, supporting learning activities and ensuring the well-being and safety of students.
