

Level 2 Certificate in **Principles of Business Administration**

Course overview

UK employers have recently reported a shortage in the amount of skilled business and administration staff, despite more than four and a half million people already working in this sector. This figure is expected to rise in coming years as the shortage of skills needs to be filled.

Have you got what it takes to provide the crucial everyday support that organisations need to run their business, meet their targets and be successful? Well, this qualification provides you with a thorough understanding of all the aspects of a business administration role, which could enable you to progress within a business environment.

Level 2 Certificate in **Principles of Business Administration**
